

Workshop Report: Mastering Robotics - From Basics to Brilliance

Event Overview:

Event Title: Mastering Robotics: From Basics to Brilliance

Organizers: IEDC LBSCEK in collaboration with TinkerHub LBSCEK

Date and Time: November 17, 2023, 9:30 AM - 12:00 PM

Venue: SDPK LAB, LBSCEK

Resource Person: Nithish Nayak

Objectives:

Introduce participants to the fundamentals of robotics.

Provide hands-on experience with robotics components.

Foster curiosity and enthusiasm for robotics.

Workshop Agenda:

Introduction to Robotics (9:30 AM - 10:00 AM)

- Welcome address by organizers.
- Overview of the workshop series.

Basics of Robotics (10:00 AM - 11:00 AM)

- Presentation on key concepts.
- Q&A session.

Hands-on Session (11:00 AM - 12:00 PM)

- Participants engaged in practical activities.
- Demonstrations and guidance by workshop facilitators.

Key Highlights:

Enthusiastic Participation: The participants actively engaged in discussions, asked insightful questions, and showed a genuine interest in the subject matter.

Interactive Q&A: The Q&A session provided a platform for participants to clarify doubts and deepen their understanding.

Hands-on Experience: The hands-on session allowed participants to apply theoretical knowledge, fostering a practical understanding of robotics concepts.

Feedback:

Participants expressed satisfaction with the workshop content, organization, and the hands-on experience.
