

# REPORT ON KBA STALL AT COLLEGE TECHFEST 2025

## **1. Event Title**

KBA Awareness Stall at College Techfest 2025

## **2. Date & Venue**

College Techfest 2025  
IEDC Innovation Corner  
L.B.S. College of Engineering, Kasaragod

## **3. Organized By**

Kerala Blockchain Academy (KBA) Chapter  
LBS College of Engineering, Kasaragod

## **4. Objective of the Event**

The objective of the stall was to create awareness among students about Kerala Blockchain Academy (KBA) and introduce them to the fundamentals of Blockchain technology. The initiative aimed to encourage students to explore opportunities in blockchain learning, research, and innovation.

## **5. Description of the Event**

During the College Techfest 2025, the KBA LBSCEK Chapter set up a stall at the IEDC Innovation Corner. The stall served as an interactive platform where visitors could learn about the vision and mission of Kerala Blockchain Academy and its role in promoting blockchain education and innovation.

Members of the KBA chapter explained the fundamentals of Blockchain technology including its concept, working mechanism, and real-world applications. The stall attracted many visitors including students from the college as well as school students who attended the techfest.

To make the stall more engaging and interactive, the team conducted a quiz session consisting of basic blockchain-related questions. In addition to the quiz, several fun games and activities were organized to encourage participation.

Participants who took part in the activities were rewarded with sweets and KBA stickers as goodies.

## **6. Outcome of the Event**

The stall successfully created awareness about Kerala Blockchain Academy and Blockchain technology among both college students and visiting school students. Many participants gained a

basic understanding of blockchain concepts and showed interest in learning more about the field.

## 7. Conclusion

The KBA stall at the IEDC Innovation Corner during College Techfest 2025 was successfully conducted. The initiative effectively promoted blockchain awareness and encouraged students to explore opportunities offered by Kerala Blockchain Academy.
