

Abhilash V Nair

Assistant Professor

Department of Electrical & Electronics Engineering

LBS College of Engineering Kasaragod

Qualifications

B Tech in Electrical & Electronics Engineering from Kerala University in the Year 2008.

M Tech in Instrumentation and Control Systems from NIT Calicut in the year 2010.

Publications

1. Mathematical Modelling of Linear Complex Mechanical Systems by Inspection Method based on Force/Torque-Current Analogy.
 2. Importance and Contribution of Renewable Energy in the Energy Scenario of India.
 3. Mathematical Modelling of Linear Complex Mechanical Systems by Inspection Method based on Force/Torque-Voltage Analogy.
-

Biography

Date of joining in service	:	05/07/2013.
Area of Interest	:	Control Systems.
Academic Experience	:	12 years
Industrial Experience	:	3 years

Key positions handled

- TEQIP-II Purchase and maintenance committee head for five years.
- General Electrical maintenance and associated purchase committee head for five years.
- HOD for five years.
- NSS program officer for six years and won special appreciation from the Government of Kerala in the year 2020.
