Educational Qualifications:

- PhD: Cochin University of Science and Technology (CUSAT)
- MTech: Computer Science with specialization in Information Systems from Rajagiri School of Engineering & Technology (RSET), MG University
- BTech: Information Technology from School Of Engineering (SOE), CUSAT

Career path:

- Assistant Professor – Computer Science & Engineering (Sep 2015 – Present): LBS College of Engineering, Kasaragod.
- Assistant Professor – Computer Science & Engineering (July 2014 – Sep 2015): Cochin College of Engineering & Technology (CCET), Valanchery.
- Lecturer – Computer Engineering (Aug 2013 – June 2014): College of Applied Science (CAS, IHRD), Kozhikode.
- Chief Executive Officer (July 2011 – Aug 2015): Omnipresent IT Solutions Pvt Ltd (OPIS), Kozhikode/Malaysia
- Software Engineer (Aug 2010 – Aug 2011): Omnipresent IT Solutions Pvt Ltd (OPIS), Kozhikode
- Team Member – Operations (Sep 2009 - Jul 2010): FIS Payment Solution & Services India Pvt. Ltd (FIS), Powai, Mumbai.

Research interest:

- Machine Learning and Deep Learning, Computer Vision

Teaching Experience:

- 9 Years
- Master Trainer, “Artificial Intelligence and Machine Learning, ASAP, Govt. of Kerala”

Subjects Taught:

- Data Mining and Data Warehousing, Machine Learning, Data Analytics, Data Science, ComputerVision, Deep Learning

Achievements:

- Secured All India Rank 174 in GATE (IT) exam 2008.
- Qualified NET 2012.
- Qualified GATE (CS) exam in 2009,2011,2012,2014.
- Secured 92 percentile in C-DAC CST – G Level exam 2011.
- Founded Omnipresent IT Solutions Pvt Ltd in Aug 2010.

Sponsored Project:

- A deep neural network based crop classification technique using multi-temporal satellite imagery (01707 /SPS 64/2019/KSCSTE) order dated 16-Jan-2020

Membership in Professional bodies:

- The Indian Society For Technical Education(ISTE)-Life time member
- Soft Computing Research Society (SCRS)

Activities Coordinated:

- Co-Coordinator and Website Chair, “2nd International Conference on Advances in Security and Computing (ICASC 2021)”
- Co-Coordinator, “International Conference on Recent Advancements in Engineering and Technology(iCORETech 2018)”
- Coordinator and Website Chair, “International Conference on Recent Trends in Computing and Communication (ICRTCC 2015)”
- Advisory Committee, Introduction of mobile platform facilities in University of Calicut
- Coordinator, Faculty Development Programme on Deep Learning, DL 2023

Administrative works:

- Nodal Officer, “Innovations and Entrepreneurship Development Cell, LBSCEK”
- Placement Coordinator, “Carrier Guidance and Placement Unit, LBSCEK”
- Coordinator, “FLOSS Club, LBSCEK”
- Coordinator, “Tinkerhub Club, LBSCEK”
- Staff in-charge, “Computer Science and Information Technology department Association,LBSCEK”
- Accreditation Coordinator, "Information Technology, LBSCEK"

List of journals:

- Design and implementation of an efficient and cost effective deep feature learning model for riceyield mapping, “IJCSE”, (eSCI), 2021
- An Intelligent System for Early Assessment and Classification of Thyroid Disease, JCIS, 2019
- High Utility Pattern Mining Using Sliding Window Control with Parallel Mining for Establishing Profitable Manufacturing Plans, JCIS, 2019
- An Efficient Approach for Crop Yield Forecasting Using Machine Learning Techniques based on Normalized Difference Vegetation Index and Climatic Indices, “JARDCS”,(Scopus), 2018

List of invited talk:

- Delivered a talk on “Data Analytics in Agriculture” organized by Department of ECE, LBSCEK on 6-Sep-2021
- Session chair, 2nd International Conference on Advances in Security and Computing (ICASC 2021)
- Delivered a talk on “Github” organized by Department of CSE, School of Engineering, CUSAT on 16th Feb 2021
- Delivered a talk on “Machine Learning in IoT” organized by Department of ECE, LBSCEK on 12-Jan-2021
- Delivered a session on SVM, hosted by ASAP, Govt. of Kerala for Engineering students in Kerala
- Delivered a talk on “Introduction to FLOSS” organized by College of Engineering Trikaripur on 16th Aug 2019
- Delivered a talk on “The future of Data Science” organized by College of Engineering Trikaripur on 28th Sep 2016
- Handled a session on “Big Data Analytics” for DST Sponsored Ten Day Faculty Training Programme organized by Hindusthan Institute of Technology, Coimbatore on 19th May 2016
- Handled a session on “WordPress on Microsoft Azure” organized by RSM SNDP Yogam College, Koyilandy on 16th Jan 2016
- Delivered a talk on “WordPress on Microsoft Azure” for an event “Open Source on Microsoft Azure” organized by Microsoft Developer Community, Kerala at Technopark, Trivandrum
- Handled a session on “Big Data Processing with Apache Spark” organized by LBS College of Engineering, Kasaragod on 9th Dec 2015
- “Handled a session on Information Skills” to Employees of Motor vehicle Department on 23-30 Apr 2014 conducted jointly by the IHRD & the KSHECI at CAS, IHRD.
