HIGHLIGHTS 2023

APP DEVELOPMENT WORKSHOP

An app development workshop was conducted by IEEE SB LBSCEK in collaboration with Talrop. The workshop was focused on the first years of the college. The participants received knowledge and a wonderful experience throughout the session. The event was conducted on SDPK LAB on 4th February 2023.

The poster for the App Development Workshop features logos for IEEE SB LBSCEK, LBS College of Engineering (A Govt. of Kerala Undertaking), TALROP, and IEEE. The title "APP DEVELOPMENT WORKSHOP" is prominently displayed in bold, black letters. Below the title, it states "In Association with" followed by the TALROP logo. To the right, there is an illustration of three people interacting with a large smartphone. On the left, event details are listed: DATE: SAT 04, FEB; TIME: 10AM TO 4PM; and LOCATION: SDPK LAB. A dark blue box contains the pricing: ₹ 15 FOR IEEE MEMBERS and ₹ 30 FOR NON IEEE MEMBERS. A circular portrait of the resource person, ZANIL UTHAKKAN, is shown, with his name and title (Software Engineer at Steyp) listed below.

AUTOMATED ANNOUNCEMENT SYSTEM FOR WASTE MANAGEMENT

Automated announcement system for waste management/separator is the project of SB LBSCEK installed at General hospital,Kasaragod.The necessity of alerting people to dispose of the waste properly and improve the waste management initiative was the key idea behind the presumed project. The device was set up on 25th February 2023.Kasaragod Municipal Chairman V. M. Muneer inaugurated the system. After weeks of usage, the positive reviews or responses received from the hospital was encouraging to come up with new innovative projects.

IEEE Student Branch installed the test version of Automatic Voice Announcement System for Waste Management at General Hospital Kasaragod. Kasaragod Municipal Chairman V. M. Muneer inaugurated the system.

General Hospital Kasaragod

ജനറൽ ആസ്പത്രിയിൽ മാലിന്യം കളയുന്ന കാര്യത്തിൽ ഇനി ശക്ത വേണ്ട

കാസർഗോട് ജനറൽ ആസ്പത്രിയിലെ മാലിന്യം എവിടെ കളയണം എന്ന കാര്യത്തിൽ സംശയം വേണ്ട. പ്ലാസ്റ്റിക്, ടൈവ്-അലൈഡ് മാലിന്യം, ക്ഷണാവശിഷ്ടങ്ങൾ എന്നിവ എവിടെ കളയണമെന്നു പറഞ്ഞു തന്ന യന്ത്രമാണ് ആസ്പത്രിയിലെ മാലിന്യ സംസ്കരണം കാര്യക്ഷമവും ശാസ്ത്രീയവുമാക്കാൻ സഹായിക്കുക.

മാലിന്യവുമായി റോഗികളോ കൂട്ടിയിടുകയോ ജീവനക്കാരുടെ സമീപം എത്തുമ്പോൾ തന്നെ ആശുപത്രിയുടെ സാനിറ്റേഷൻ സ്റ്റാഫ് കളി നിർദ്ദേശങ്ങൾ നൽകുവാനാണ് യന്ത്രത്തിന്റെ പ്രവർത്തനം.

മോഷൻസെൻസർ സാങ്കേതികവിദ്യ അടിസ്ഥാനമാക്കിയാണ് യന്ത്ര പ്രവർത്തനം. ആശുപത്രിയുടെ സമീപത്ത് എത്തുമ്പോൾ

പൊതു ഏൽബി.എസ്. എൻജിനീയറിങ് കോളേജ് വിദ്യാർത്ഥികൾ നിർമ്മിച്ച യന്ത്രം കാസർഗോട് ജനറൽ ആസ്പത്രിയിൽ സ്ഥാപിക്കുന്ന ചടങ്ങ് കാസർഗോട് നഗരസഭാ ചെയർമാൻ വി.എം. മുനീർ ഉദ്ഘാടനം ചെയ്യുന്നു. യന്ത്രം അത് തിരിച്ചറിഞ്ഞ് യന്ത്രത്തിനുള്ളിൽ മുൻകൂട്ടി പ്രോഗ്രാം ചെയ്ത് ഘടിപ്പിച്ച ശബ്ദസന്ദേശമാണ് ആളുകൾക്ക് മാലിന്യം എവിടെയെണ്ണുന്ന എന്ന കാര്യം വിശദീകരിക്കുക.

കാസർഗോട് പൊതു ഏൽബി.എസ്. എൻജിനീയറിങ് കോളേജിലെ ഐ ടിപിം ഇ (ഐ.ഇ.ഇ.ഇ.) സ്റ്റുഡന്റ് ബ്രാഞ്ചിന്റെ നേതൃത്വത്തിലാണ് ഈ യന്ത്രം

ഇതിന്റെ നിർമ്മാണത്തിനു നേതൃത്വം നൽകിയ വിദ്യാർത്ഥികൾ പറയുന്നത്.

പുതിയ പതിപ്പിൽ കാസർഗോടുള്ള മറ്റു രാജകുടുംബ കൂടി ഉൾപ്പെടുത്തിയാകും യന്ത്രം വ്യാപ്തിപ്പെടുക. അത്തരം രൂപമാണ് ഈ യന്ത്രത്തിന്റെ നിർമ്മാണച്ചെലവ്. കാസർഗോട് പൊതു ഏൽബി.എസ്. എൻജിനീയറിങ് കോളേജിലെ പ്രൊഫ. റെൻസി സാം മാത്യു, വിദ്യാർത്ഥികളായ കെ. ശ്രീനിവാസ് പൈ, ഇ. അശ്വിനി, മാണി കുര്യൻ, പി. അഭിജിത്, ശ്രീറാം, പി. അർജുൻ എന്നിവരാണ് ഇത് നിർമ്മിച്ച സംഘത്തിലുള്ളത്.

യന്ത്രം സ്ഥാപിക്കുന്നതിന്റെ ഉദ്ദേശ്യം കാസർഗോട് നഗരസഭാ ചെയർമാൻ വി.എം. മുനീർ നിർവ്വഹിച്ചു. ജനറൽ ആസ്പത്രി സ്വീകരണ രാജദാനം അധ്യക്ഷനായി.

ANNUAL GENERAL MEETING 2023

Annual general body meeting of SB for the year 2023 was conducted on 28th March 2023. Principal of LBSCE KASARAGOD, Dr. Mohammed Shekkor T. inaugurated the meeting and had a brief talk about the impact created by the students branch on college. Certificates and awards received by the volunteers during the period were distributed. Chair of SB 2022, Mr. Sreenivas Pai K, presented the SB report for the previous year.

PROJECT CLASH

IEEE SB LBSCEK and the Department of Electronics and Communication Engineering organized "INTERDISCIPLINARY PROJECT CLASH" as part of EXIMIUS'23. It was held on 28th April 2023. The project competition showcased participants' creativity and technical skills, fostering healthy competition and innovation. 12 teams from various departments participated.

STALL AT ENTE KERALAM

As part of the second anniversary celebration of the state government, the Ente Keralam mega exhibition and marketing fair, showcasing products and services from various entrepreneurs. IEEE SB LBSCEK, in collaboration with LBSCEK, participated in the fair to exhibit the technical brilliance of students and volunteers from 3rd May 2023 to 9th May 2023 at Kanhangad

ELECTRICAL WIRING AND SOLDERING WORKSHOP

IEEE SB LBSCEK, in collaboration with IEEE Malabar Subsection, organized an Electrical Wiring & Soldering Workshop for 11th and 12th standard students, part of 'Road Map to Success in Engineering Studies.' on 9th June 2023 from 10.00 AM to 3.00 PM in our campus. The workshop, covering safety, wiring fundamentals, soldering techniques, and troubleshooting, provided hands-on experience. Participants gained skills and confidence for electrical tasks through a practical and informative session.

BRAINSTORMING AND LIVE PROBLEM SOLVING

IEEE Members were given a real-life problem and asked to brainstorm on 17th November 2023 at 1 PM in the EEE Department seminar Hall. The case study was of a KSEB office which needs to attend the call of the local people in an emergency at midnight. Students formed groups of three and discussed a viable technological solution to the problem. Then they were given the opportunity to share the solutions in front of the class.

CONNECTED 2.0

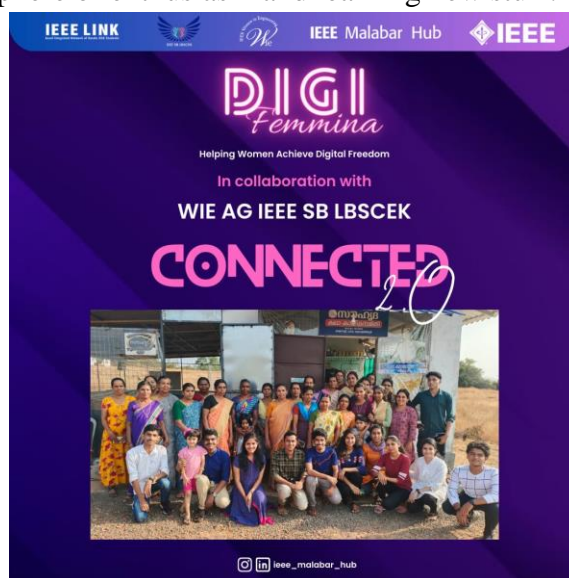

As a part of *'Digi Femmina* - Helping others achieve digital freedom'*, WiE AG IEEE SB LBSCEK in collaboration with IEEE WiE Malabar Hub introduced *'*Connected 2.0** at Sauhruda Arts & Sports Club, Barotty, Kasaragod

The primary goal of members of IEEE WIE was to educate kudumbasree women ,that was about the usage of online payment services and tech related contents through smartphones like Google pay, Google assistant, etc. It also aimed to familiarize online transactions and essential modern technologies . The session began with an inaugural speech from Gopalakrishnan Kalavayil ,ward member of Barotty. Close to 38 people including 27 kudumbasree members in the presence of 10 IEEE LBSCEK members and 1 non IEEE member attended the class. The event was held in the presence of Gopalakrishnan Kalavayil ,ward member of Barotty Sunitha,Secretary of ADS and Nisha Librarian of Sauhruda Arts & Sports Club.

The event taught the basics of online payment through G-pay such as downloading gpay from the play store and basics of online banking.And we also taught about how to use google assistant and social medias like WhatsApp . These valuable insights help the participants to be more productive and self-sufficient . The event ended by a doubt-clearing session and with a refreshment.

The participants found that the event was more informative.

Overall there was an atmosphere of enthusiasm and learning new stuff.

RESOURCE PERSON:

CDR PRASANNA EDAYILLIAM

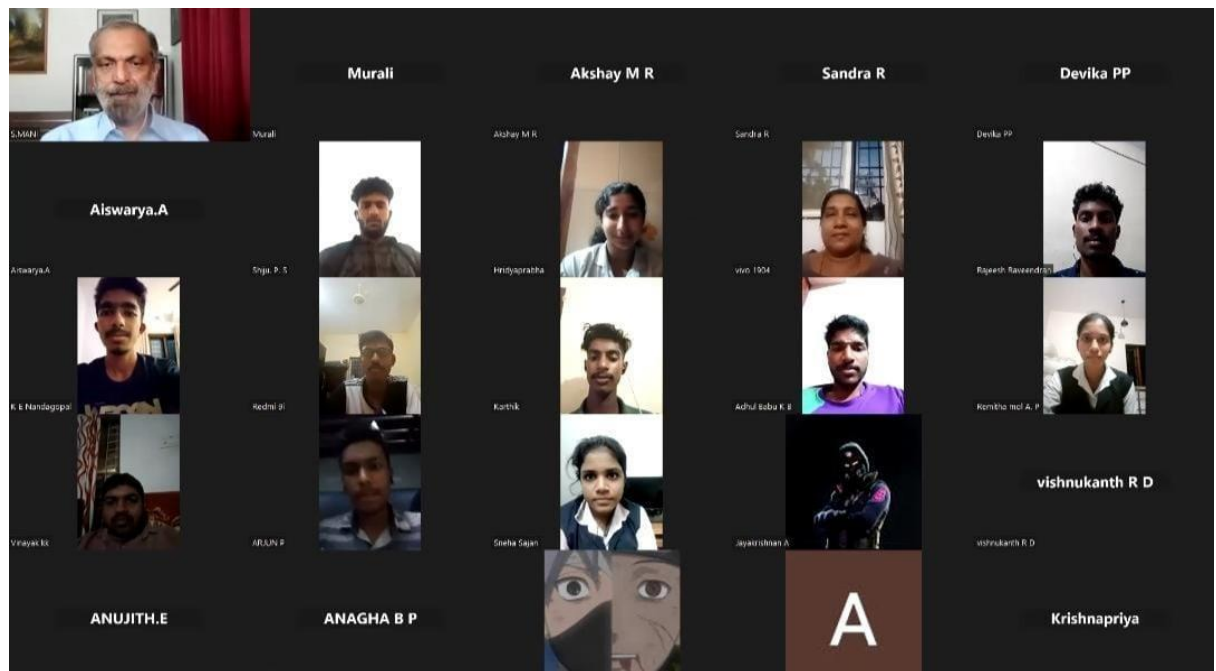

[RETD]

As a part of International Women in Engineering Day celebrated on June 23, IEEE WiE AG LBSCEK in collaboration with IEEE Malabar Hub conducted an online webinar via zoom on 23rd June 2023 beginning from 7pm. The aim of the talk session was to provide a platform for the students to know about the involvement of women in armed forces. 27 students from different

colleges attended the talk session, In which Cdr Prasanna Edayilliam presented her life experiences, battle for equality at the armed forces. The speech was really motivating and inspiring for the participants. The event was coordinated by the execom of WiE AG LBSCEK.

NATIONAL LEVEL ONLINE WEBINAR

PES society IEEE SB LBSCEK conducted a national-level webinar for the members on the topic "Train 18/Vande Bharat Project: The Story of an Engineer's Dream Turning into Reality on June 2, 2023 6 PM. The session was coordinated by chair Arjun P, Akshay MR, and KE Nandagopal, and it was started with a welcome speech by Sandra R. Sudhanshu Mani Sir, the brain behind India's first semi-high-speed train, Vande Bharat Express, led the session. This was such an informative session where he shared his experiences working on this project and gave a brief on the technical side of the train. The main focus of the webinar was to share their journey to making this dream project a reality. The Q&A session conducted at last was really helpful for the members to know more about the topic, and Sudhanshu Mani sir was glad to clarify our queries. The session which was about one hour was concluded with a vote of thanks by Hridya Prabha M. 121 participants were present of which 83 were IEEE members from different institutions.

EXPERT TALK ON TELECOM EVOLUTION IN THE LAST 3 DECADES AND CURRENT EMERGING TECHNOLOGIES

A poster for an expert talk event. The background features a large satellite dish on the left and a vibrant, colorful nebula or galaxy on the right. The resource person was Gouthaman PK [Senior director (RETD), Etisalat, UAE, and sir shared best of his knowledge to keep us updated about the new telecom industry and its application. As an experienced person in the field he was able to answer all the questions that arose. 82 students participated

INTRODUCTION TO TINKERCAD

IEEE IES LBSCEK conducted a workshop on Introduction to Tinkercad on 7th October 2023 at SDPK Lab. Mr. Abhijith P, S7ECE was the resource person.

LED BULB ASSEMBLING CLASS FOR HEARING IMPAIRED STUDENTS

LED Bulb Assembling was a workshop conducted on request from Mar Thoma School for the Deaf. The LED bulb assembling is a detailed chapter in the curriculum of Physics of the 10th Standard. As a part of LED bulb assembling Industrial electronic society conducted a workshop at Marthoma School for the Deaf, Kasaragod on 14th September, 2023 from 9.30 AM to 2.00 PM. The aim of the program was to introduce the components of the LED Bulb and its assembling for the specially abled students. This also gave them vocational training to help build self-discipline, a sense of economic security and self-reliance. 20 students participated. The teachers of the school stood as interpreters between the students and our volunteers. 7 of our members were volunteers for this programme.

INAUGURATION OF THE IEEE COMPUTER SOCIETY

IEEE COMPUTER SOCIETY was inaugurated by Dr.Gilesh M P Head of the Department of Computer Science, Government Engineering College, Wayanad and Treasurer IEEE Kerala Section, on 09/10/2023 in the SDPK Lab at 11.30 AM onwards. A total of 50 students including IEEE members participated.

The inauguration was followed by a talk on the benefits of IEEE membership and IEEE Computer Society membership by Prof. Gilesh.

EDUCATION SOCIETY ORIENTATION SESSION

The IEEE EduSoc Society Orientation Class was led by Akshay M R , the SB Link Representative as well as the Campus ambassador of IEEE EduSoc Society on 17th November 2023 from 12.30 PM in the Seminar Hall of EEE Department. It was a comprehensive session providing valuable insights into educational initiatives. The speaker adeptly navigated through key society goals, fostering a collaborative atmosphere. Participants gained a clear understanding of EduSoc's mission and opportunities for engagement. The class successfully instilled enthusiasm for educational advancements within the IEEE community, setting a promising tone for future endeavors.

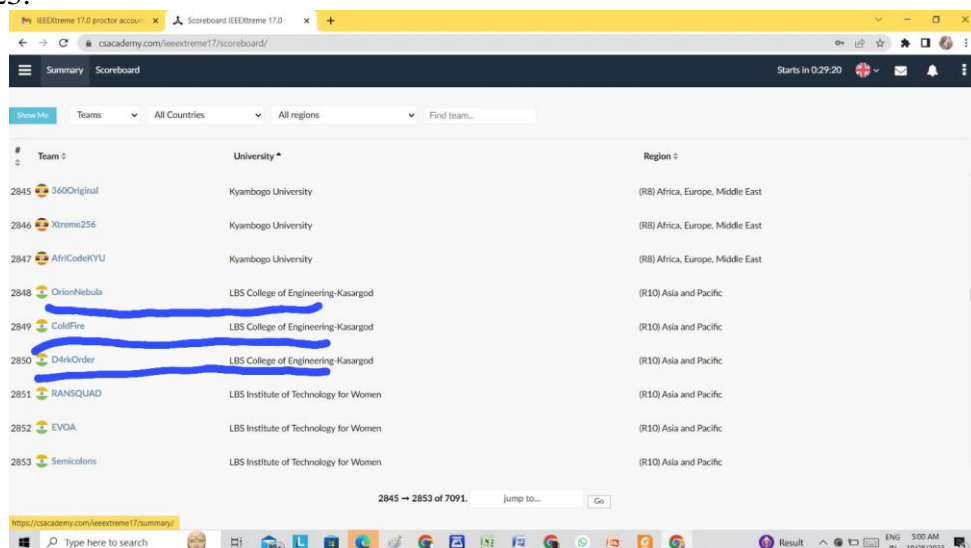

IEEE XTREME 17.0

An orientation was given to students on 18th October 2023 about the IEEEExtreme competition, about its relevance and importance. The types of questions and the coding platform was also introduced to the students. Akshay M.R. coordinated the programme.

Three teams participated in the IEEE global coding competition IEEEExtreme 17.0 held on 28th October 2023.

ALL INDIA COMPUTER SOCIETY STUDENTS CONGRESS 2023

The AICSSC 2023 was held from 20th to 22nd Ginger Hotel, MG Road, Kochi. It was a nice time of networking and interaction with distinguished personalities including Eric Berkowitz, IEEE Computer Society Director and Mohammed Raeidean, R10 Regional Coordinator.

Our students with Eric Berkowitz, IEEE Computer Society Director.

Our students with Mohammed Raeidean, R10 Regional Coordinator.

PRIZES

1. Aswin E, S5 ECE was selected one of the winners of the event Ink and Ideals -a logo design competition conducted by IEEE Kerala section.

2. Sooraj M , S5 ECE got the second prize in the Caption Writing Competition conducted by IEEE SB CEC Thalassery.

3. Jacob George won the Logo Designing Competition for the ros.h Robotics For Humanity STEM Education project by RAS SBC GECBH.

4. Anagha V. won the Idea Pitching Competition conducted by the IEEE SB TKM College of Engineering Kollam, IEEE PES SBC TKMCE.

5. Rithika C. won the third prize for the Best Chapter representative conducted by the IEEE Signal Processing Society Kerala Chapter.

6. Akash Sasidharan won the first prize for Task 5 of its flagship event, Elever 3.0.

POSTERS

The IEEE Execom and different societies brought out posters on various occasions.

HIGHLIGHTS 2022

ANNUAL GENERAL BODY MEETING (AGM) 2022

The Annual General Body Meeting of the IEEE LBSCE Student Branch, WIE Affinity Group and PES and IES Student Branch Chapters was jointly held at 11.30 AM on 5th May 2022 in the College Amphitheatre. Mr. Sreenivas Pai K. SB Chair welcomed the gathering. Ms. Sukanya K. K., IES Chair read the IEEE Code of Ethics. Ms. Celiya Theres, the SB treasurer and WIE Chair read the Annual Report. The Branch Counselor, Mr. Rensi Sam Mathew and IES Student Chapter Advisor, Dr. Mary Reena K.E. addressed the students. The outgoing SB Chair was honored with a Memento on the occasion. IEEE SB Secretary Mr. Varun Vinay thanked the participants.

PRADARSHAN Project Presentation Expo

IEEE SB LBSCEK in collaboration with TERANIS '22 - the Intercollegiate Technical Fest of CSE-IT Department LBSCE Kasaragod, conducted a project expo on June 4th 2022 which was open for all. There were 16 teams who participated in the event, with around 60 people. The event was inaugurated by Dr. Smithamol M B, HOD of CSE-IT Dept. A lot of new and exciting projects were exhibited by students. The first prize was awarded to the project “Grain Dehydrator” by Ali Ismail and team from the Mechanical Engineering Department. They were awarded a cash prize of ₹10,000. Three other best projects were also awarded a token of appreciation. The award was given away by Dr. Praveen Kodoth, Dean Academics, LBS CE. All the technical and volunteering support was provided by IEEE members. Several students and faculty visited the expo and interacted with the participants and

learned about their projects. The Expo helped in the exchange of ideas between the participating teams and visitors. The participants and the viewers gained a lot of value-adding knowledge through this experience.

LED ASSEMBLING TRAINING HELD AT DISTRICT JAIL

The Department of Electronics & Communication and IEEE Student Branch LBSCEK jointly organised a LED Assembling Training at Hosdurg District Jail, Kasaragod on 25th May, 2022 as a part of helping prison inmates find self-employment through vocational training and developing skills. This was conducted as a part of the Haritha Jail programme of Hosdurg District Jail through which many exemplary activities are carried out for the welfare and development of prison inmates. The event was inaugurated by the Principal of LBS College of Engineering, Dr. Muhammad Shukur.T, and was presided over by the Hosdurg District Jail Superintendent K. Venu. IEEE LBSCEK Branch Counsellor, Rensi Sam Mathew spoke on the benefits of the training session and finding employment opportunities. There were detailed classes as well as hands-on practice provided and about 35 prison inmates participated enthusiastically. The classes and workshops were given by IEEE members, Sreenivas Pai, Mani Kuruvila, and Abhijith P while classes for women inmates were provided by Sukanya P and Celiya Theres. The session mainly involved LED assembling hands-on practice and awareness talks on the benefits of the programme in finding employment as well as towards sustainable development. This programme was conducted by IEEE SB and District Jail authorities as a part of Haritha Jail programmes, through which our SB members were able to fulfil one of the sustainable development goals, “Affordable and Clean Energy” emphasising its future aspects. The authorities and attendees of the events provided a warm atmosphere for the student members and supported them to make the event a success through complete cooperation and participation and also made available food provisions for the guests. A memento was handed over to Mrs. Rema Superintendent of women's jail, Kannur for meritorious service of 24 years on behalf of Kasaragod Jail authorities by Principal Dr. Mohammed Shekooor T.

L.B.S. College of Engineering

District Jail Kasaragod

A Digital Financial Literacy camp was organized in LBSCEK by the IEEE WIE LBSCEK in accordance with upcoming IEEE Day 2022. The primary goal of members of IEEE WIE was to educate college non- staffs about the usage of online payment service through smartphones like Google pay. It also aimed to familiarize transactions. The Digital Financial Literacy camp began with an inaugural speech from Miss Celiya Theres , chairperson of IEEE WIE

LBSCEK and treasurer of IEEE LBSCEK. Close to 25 people including non-staffs and members of IEEE LBSCEK attended the camp. Event held in the presence of Mr Rensi Sam Mathew, Branch councilor IEEE LBSCEK and Dr. Mary Reena, Branch Advisor of IEEE LBSCEK. The camp taught the basics of online payment through G-pay such as downloading gpay from playstore and invite code, online banking , payment through 'QR' code and Mobile number. The participants were also taught how to connect bank accounts to avoid difficulty to find. These valuable insights help the participants to be more productive . The camp ended with a doubt clearing session. Overall there was an atmosphere of enthusiasm and learning.

WEBINAR on HOW TO EXECUTE YOUR B.TECH PROJECT

IEEE LBSCEK in collaboration with IEEE SB GECKKD is organizing a free webinar on the topic "How to Execute Your B Tech Project " and thereby alleviate those confused minds. This webinar is aimed for those executing their Btech project. The session will be handled by Abhinav Rajeev (Junior Research Fellow at IIT Palakkad, EMC Empanelled Home Energy Assessor, and IEEE Young Professional) on October 12, 2022. The session was a google meet event at 7.00 PM.

Jointly organised by IEEE SB of LBS Kasaragod and GEC Kozhikode on the occasion of IEEE Day 2022

Coordinators: Aswin E(LBS CE), Fathima Nasrin(GEC KKD)

STEAM WORKSHOP

IEEE Day encourages members together to share ideas and be inspired to achieve their technological goals. Eu-Reka is an initiative to raise the level of literacy of STEAM through empowering and encouraging the 'Young Generation' as an 'Ambassador of Education'.

On behalf of this programme, IEEE Volunteers (Sreenivas Pai, Sukanya, Abhijith and Rithika) interacted with school students of Durga Higher Secondary Students, Kanhangad. The workshop is aimed to make youngsters aware of the needs and expectations of the students towards the class of education as well as to work towards educational inclusiveness by reducing the disparity between urban and rural level literacy rates. The event was conducted at DHSS Kanhangad on 12 th october.

WOMEN SAFETY AWARENESS CLASS

Women Safety Awareness Class and Self Defence Training program jointly organized by WIE AG of IEEE LBSCEK and NSS unit 179 and 683 LBSCEK with the support of Kasaragod women police self defence team on 21st October 2022. The event aimed to level up confidence among students and awareness of safety. It was well planned program. NSS volunteers, IEEE members and students of LBSCEK participated in this event. The program begin with the introduction from anchor Rithika. The Kasaragod crime records bureau DYSP Abdul Raham was the chief guest. He inaugurated the programme. The presidential address given by Mr Mohammed Shekoor, Principal of LBSCEK. The Women Safety Awareness Class And Self Defence Training taken by Kerala police self defense team CPO, Ms. Preethi and Ms. Sajitha. Program trainer explained how to self defend in case of danger, attack and emergency. They demonstrated the technique that excited the participants. Dr. Vinod George, Dean of student affairs, NSS program officer Ahmed Kabir, Dr. Mary Reena, Branch advisor of IEEE WIE LBSCEK shares their valuable insight. The self defense training session empower and encourage students to deal with dangerous situations independently. The program concluded by vote of thanks from Miss Celiya Theres, Chairperson of IEEE

WIE LBSCEK and treasurer of IEEE LBSCEK. The session was warmly received by students of LBSCEK. With crime against women rising everyday, these techniques might come in handy for students in future to protect themselves.

STALL AT SHASTROLSAVAM - KASARAGOD REVENUE DISTRICT SCIENCE FAIR

L.B.S College of Engineering
(A Govt. of Kerala Undertaking)

ശാസ്ത്ര പ്രതിഭകൾക്ക് വിജയാശംസകൾ

A stall of IEEE SB LBSCEK was set up at Kasaragod Revenue District Science Fair which consisted of about 10 projects which was meant to encourage young minds to know about engineering field. Our SB was asked to lead the stall allotted for LBS College of Engineering Kasaragod. As part of it, we introduced various projects done by our students. Rice Dryer machine, Musical Plant, Home Automation, LED Bulb assembling etc were few of the highlights. A game was also installed at the venue for the students which showed tremendous participation by students of all ages. The programme gave opportunity to showcase the engineering projects of our students to general public and students. We could show the latest boards like Arduino, ESP32, BBC Micro:bit etc.

INDUSTRIAL VISIT - 2022

An INDUSTRIAL VISIT to BHORUKA POWER COPERATION LIMITED Manjandka,Karike 571247, Coorg district Karnataka - Mini hydrel station on Saturday, 05-11-2022.

It was organized by IEEE SB LBSCEK aimed to understand production of electricity, transmission, control system, maintenance, technology works and experience. Forty three IEEE student members and two faculties Mr Rensi Sam Mathew, Branch councilor IEEE LBSCEK and Dr.Mary Reena, Branch Advisor of IEEE LBSCEK. The permission was granted by Mr Maxim, HR Bhoruka Power corporation limited to visit the facility.

All members gathered at LBSCEK in the morning to go to the Karnataka border in college bus. The bus left from college by 8:45 AM. At the border, jeeps were arranged for travel facility. We arrived at hydro power plant by 10:30 AM. After normal security check, all members enter to the plant. We were divided into two teams, each of 22 members and a faculty for guidance. One team move towards plant and another team move towards control section.

Two power plant operators explained the necessary elements in power plant and the mechanism of electricity production. They also explained control system and substation. It was a very informative session as we, the IEEE members were from different branches of engineering. This power plant producing a record of 18 MW in the year 2017-18. The operations are manual type. They are able to produce electricity only for 3 months in year due to lack of water. In summer seasons, the water is collected and power plant works for 2 to 3 hours.

The visit motivated us to know more power production. we could know the problem faced by the hydro power plant. They patiently cleared all the doubts of students. Industrial visit to mini hydrel power plant enriched knowledge, experience and also provide great opportunity to learn practically through interactive session which helps us, the students in our further career growth.

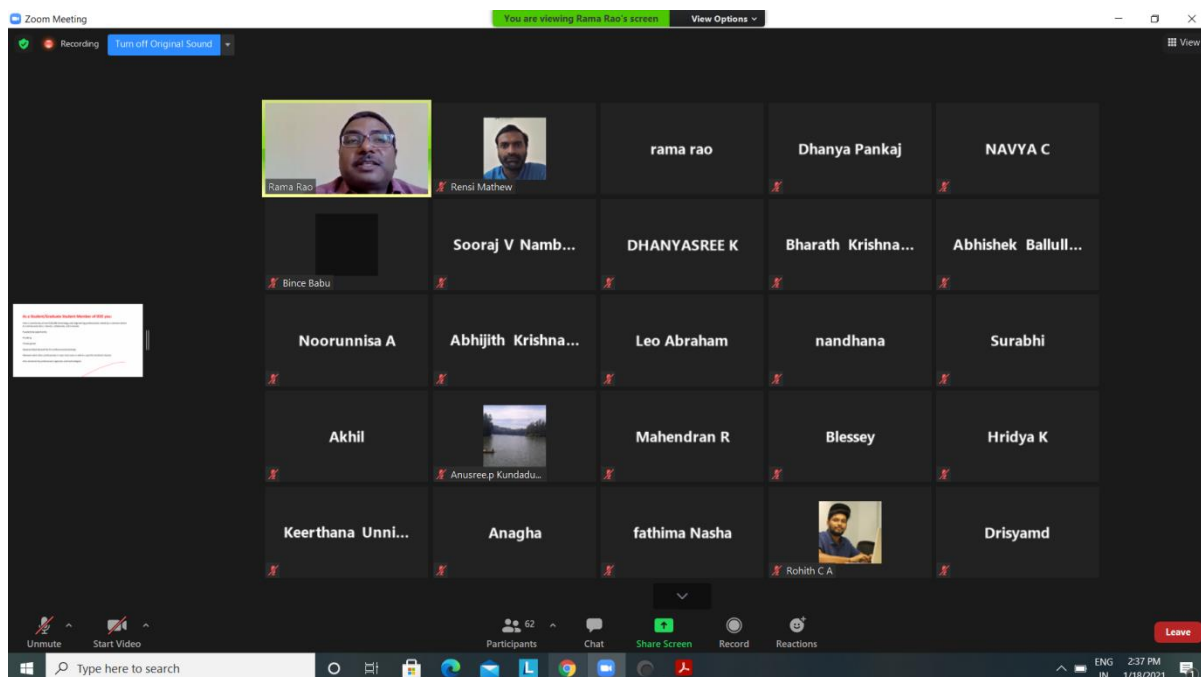

After the visit of hydro power plant we have taken lunch from Bank of river, Panathur. Then we went to Ranipuram Hill Station Kasargod. At 2:30 with all instructions from forest department we started adventures journey through woods and reached at Pulmed hill which is a different experience gives a peace full mind .We returned and arrived LBSCEK at 5:45. Overall the atmosphere of with enthusiasm and learning.

HIGHLIGHTS 2021

ORIENTATION SESSION OF GEOSCIENCE AND REMOTE SENSING SOCIETY KERALA CHAPTER

A joint orientation of the Geoscience and Remote Sensing (GRSS) Society of IEEE was held on 18th January 2021 in the online mode from 2.30 PM. The session was handled by Dr. Rama Rao, Professor IIST. This program was jointly organized by IEEE SB CET and IEEE SB LBSCEK.

HOW TO CHOOSE AND READ A TECHNICAL ARTICLE

 **IEEE Student Branch LBS College of Engineering, Kasaragod** is organizing a talk on

 **IEEE**
Advancing Technology
for Humanity

TECHNICAL ARTICLE ?

A talk for budding engineers to know about technical article

01 What to read ?
02 Why to read ?
03 How to read ?
04 When to start ?
05 Where to get ?
06 Which to choose ?

Date : 13th February 2021
Time : 3 PM
Mode : Online
Register : <https://forms.gle/NN2ZP1rBodqKY2EJA>

A talk by

Dr. NITHIN M.
RV College of Engineering,
Bengaluru.

Open to all branches !!
No registration fee !!!

IEEE LBS SB LBSCEK organized a talk on how to choose and read a Technical Article on 13th February 2021. Dr. Nithin Murali , RV College of Engineering, Bangalore was the resource person.

WORKSHOP IN BLOCKCHAIN TECHNOLOGY

A workshop in Blockchain was given by Vyshnav, Karthik, Rahul and Harshith on 16th May 2021 at 4 PM in Google Meet. The workshop was coordinated by Ranjana Janardhanan from the 2nd year ECE department. The welcome speech by Remyasree P from the 2nd year ECE department. The session includes Introduction to Blockchain technology, Blockchain For practical applications, Tools for developing blockchain and Hands on training on testing a blockchain. At last there was a doubt clearance and a feedback session. Finally the vote of Thanks was proposed by Jeswin Babu.

GATE WEBINAR

IEEE PES SBC and IEEE IES SBC in association with IEDC of LBSCEK conducted an online talk on The Infinite Possibilities of GATE and Job opportunities in Public Sector Units on 29th May 2021 at 7 PM. The resource persons were from Entri App.

The graphic is a promotional poster for a webinar. At the top, there are five logos: ENTRI, IEDC, Industrial Electronics Society (IES), IEEE PES, and IEEE. The main title is 'The Infinite Possibilities of **GATE & Job Opportunities** in **PSUs**'. Below the title is a play button icon inside a circular arrow, with the text 'FREE WEBINAR' and 'In association with **LBSCEK**'. At the bottom left, there is an illustration of a person running up a bar chart with upward-pointing arrows. On the bottom right, there is a calendar icon with 'May 29', a clock icon with '7:00 P.M', and a yellow button that says 'REGISTER NOW'.

ELECTRICAL SYSTEMS AND MECHANICAL COMPONENTS OF A RIG

A webinar was organized by IEEE PES SBC LBSCEK in association with the EEE Department of LBSCEK as part of SAHASRA 3.0. The talk was given by Mr. Mathew Prins Korah Philip, MWD Engineer, R&B Exploration and Production Pvt. Ltd. on 19th June 2021 from 6 PM to 7 PM.

The poster is for a webinar titled "ELECTRICAL AND MECHANICAL SYSTEMS OF A RIG". It is part of the "SAHASRA 3.0" intercollegiate techno-cultural event, organized by IEEE PES SBC LBSCEK in association with the EEE Department of LBSCEK. The event is scheduled for June 19, Saturday, from 6 PM to 7 PM. The speakers are Prins Korah, MWD Engineer at R&B Exploration and Production Pvt. Ltd., and Akhil Kallate, Assistant Driller at OCEAN (Offshore Oilfield). The poster includes logos for PES, LBSCEK, and IEEE, and a Google Meet link for registration. The background features a blurred image of an oil rig.

INDUSTRIAL ELECTRONICS SOCIETY INAUGURATION

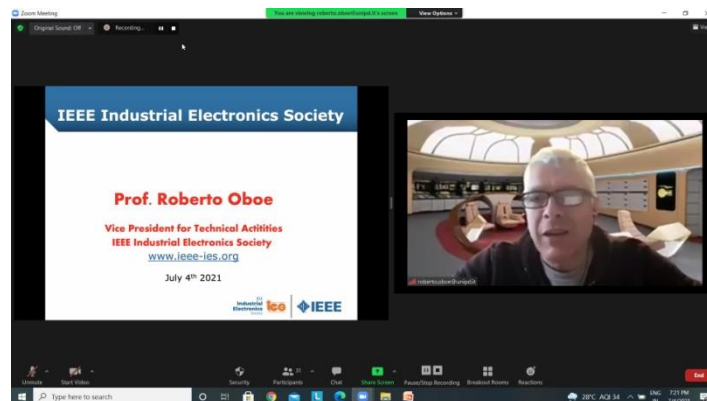

LBS College of Engineering, Kasaragod, Kerala

IEEE IES CHAPTER INAUGURATION

			
PROF. ROBERTO OBOE PH.D - IEEE FELLOW DEPARTMENT OF TECHNIQUE AND MANAGEMENT OF INDUSTRIAL SYSTEMS UNIVERSITY OF PADOVA	DR. MOHAMMED SHEKOOR T. PRINCIPAL, LBSCEK	DR. BIJUNA KUNJU CHAIR IEEE IA/IE/PELS JT. CHAPTER KERALA	PROF. PRABHIN JAMES SECRETARY IEEE IA/IE/PELS JT. CHAPTER KERALA

 **4 July 2021(sunday), 7PM**

The inauguration of IES Student Branch Chapter was held on 4th July 2021. The programme began with the Code of Ethics by Mr. Mohammed Azeem Waheed, Chair, IEEE SB LBSCEK. Our Principal, Dr. Mohammed Shekoot T. gave the presidential address. The student branch chapter was inaugurated by Prof. Roberto Oboe, IEEE Fellow, Dept. of Technique and Management of Industry Systems University of Padova & Vice President for Technical Activities. Dr. Bijuna Kunju, Chair IEEE IA/IE/PELS Jt. Chapter Kerala and Prof. Prabin James, Secretary, IEEE IA/IE/PELS Jt. Chapter Kerala addressed the gathering. Ms. Sunaya K.K. welcomed the gathering and Mr. Muhammed Shaheer, Vice Chair, IEEE IES SBC LBSCEK gave the vote of thanks.

INTRODUCTION TO ARDUINO

IEEE LBSCEK in association with IEDC LBSCEK organized a hands-on workshop on “Introduction to Arduino” on 11th December 2021 from 9.30 AM to 1.00 PM in the ECE Seminar Hall. Sreenivas Pai , S5 ECE and Abhishek Gopal, S5 CSE were the resource persons.

HIGHLIGHTS 2020

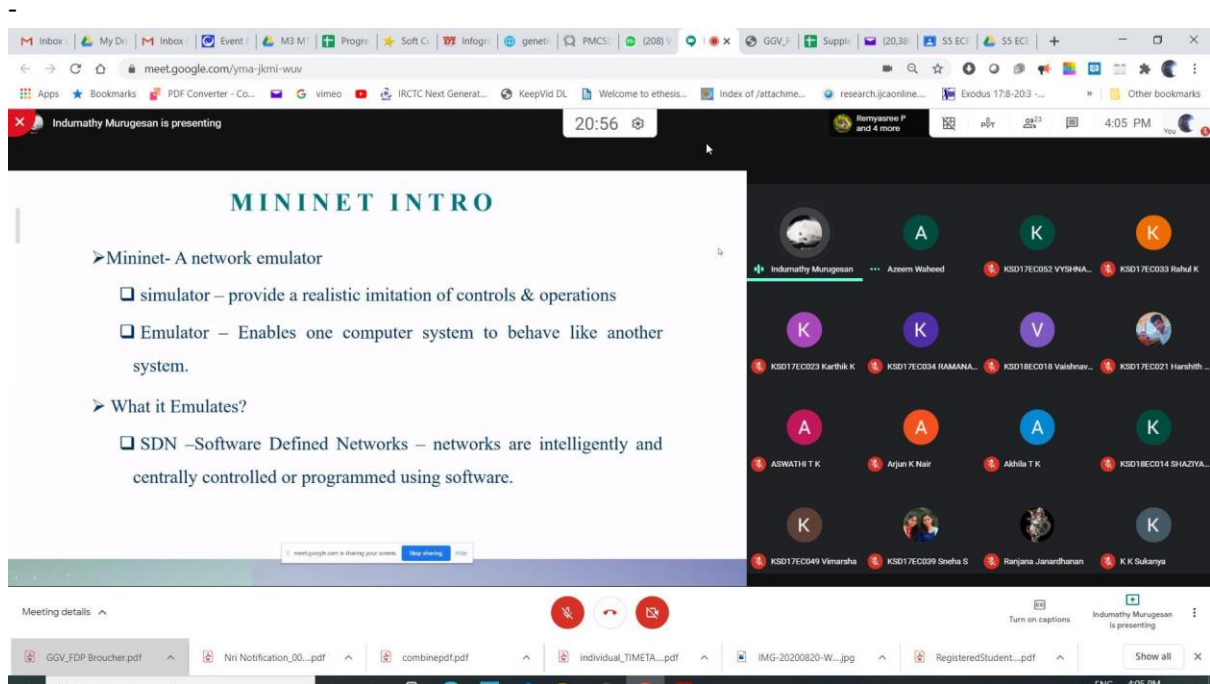

TALK ON SUSTAINABLE DEVELOPMENT GOALS

A talk on UN Sustainable Goals was conducted on ONLINE TECHNICAL PAPER on 7th February, 2020 at the PG Lab of Administrative Block. Professor. Rensi Sam Mathew, Assistant Professor, took the session.

WEBINAR - INTRODUCTION TO MININET

Ms. Indumathi Murugesan, M.Tech Student of VLSI Design and Signal Processing conducted a webinar on 'Introduction to Mininet - A Virtual Software Defined Network Platform' as part of SPECTRUM TALK on 20th August 2020 at 4.00 PM online in Google Meet.

AWARDS

Our SB Volunteer Ms. Deepna P won the Outstanding Woman in Power Student Volunteer Award instituted by the IEEE PES Kerala Chapter.

2019 HIGHLIGHTS

TECHNICAL PAPER WRITING SESSION

The session was held on 4th March 2019 from 10.00AM to 12.00 PM in the CSE Seminar Hall. The session was handled by Dr. Smithamol M.B, Assistant Professor, LBS CEK. The programme was organised for M.tech students of the college. The students were given training on how to write an effective paper, various types, resources etc. A hands-on session on the same was conducted in the following week.

ANNUAL GENERAL BODY MEETING - 2019

The Annual General Body Meeting of the IEEE Student Branch was held on 4th March 2019 from 11.30 PM at the ECE Seminar Hall. The Chair of the IEEE Student Branch Ms. Aswathy welcomed the gathering., The SB Branch Counsellor, Dr. Mary Reena K. E. addressed the gathering. The New EXECOM from 2019-2020 was announced in the meeting. The former chairs of the IEEE Student Branch also addressed the gathering. The members were given time to share their experiences and expectations. 30 IEEE Members participated in the AGM.

WISE 3.0

WIE LBSCEK conducted WISE-Women In Social Enrichment at Bovikanam Kudumbashree Unit on March 10th 2019 at 3.00 pm. Around 25 women attended the event. The volunteers of our student branch could provide them with more knowledge in digital literacy. We helped them by teaching how to use phones & laptops. The participants were curious to know more about this and felt very happy after the session. Volunteers taught them how to use Paytm, online shopping and other basic mobile phone settings.

PROJECT EXPO

A project expo was conducted under the auspices of IEEE Student Branch on 19th May 2019. Most of the students who participated were final year students' projects. 11 teams participated. The judges were Dr. Aboobacker Kadengal, Professor, ME Dept, Prof Azeem K, EEE Dept, Prof. Nishanth Augustine, Assistant Professor, ECE Department and Prof. Sarith Divakar, Assistant Professor, CSE Department.

HANDS-ON SESSION IN LATEX DOCUMENT PREPARATION

The hands-on session on Document Preparation in LaTeX was held on 27th March 2019 at the CSE Seminar Hall from 10.00 AM to 12.00 PM. The training was handled by Dr. Deepthi P.S., Assistant Professor, LBS CEK. The session was organised for M.tech students of the college. The students were given training on how to use the software to write an effective paper, various types, resources etc.

POWER AND ENERGY SOCIETY STUDENT BRANCH CHAPTER INAUGURATION

Inauguration of IEEE PES SBC LBSCEK was on 14th November 2019, which was the outcome of hard work and determination of many minds. The PES SBC was inaugurated by Mr. Suhair A K , Chairman, IEEE PES Kerala chapter. The inauguration ceremony was followed by a talk on GIS by Mr. Suhair A K.
