SMITHAMOL M B

PROFESSOR

PERSONAL PROFILE

I am Dr. Smithamol M B, a Professor in Computer Science and Engineering. My expertise lies in security, algorithms, and cloud computing. I am passionate about advancing technology through research and education.

RESEARCH EXPERIENCE

Published research articles in Cloud computing, Security and Machine Learning

Currently working on task offloading in edge computing

COURSES HANDLED IN 2023-2024

- Formal Languages and Automata Theory
- Data Structures
- Algorithm Analysis and Design
- Advanced Data Structures

EDUCATIONAL HISTORY

Anna University Chennai

PhD | March 2019

- Enhancing Trust and Access Privacy for secured data storage in the cloud
- Query privacy in secured data

NIT Surathkal

M Tech in CSE | July 2006 – June 2008

Govt Engineering College Thrissur

B Tech in CSE | July 1994 – December 1998
